PHI ETA SIGMA HONOR SOCIETY • 1996

Members maintained a cumulative grade-point average of at least 3.5 on a 4.0 scale and rank in the upper 20% of their class.

MENTORSHIP & SCHOLARLY ACTIVITIES

OUTPATIENT ENDOVASCULAR AND INTERVENTIONAL SOCIETY • CHARTER MEMBER, 2015

Enhance the safety, quality and patient satisfaction of outpatient endovascular and interventional procedures. Develop standards of practice for the operation of outpatient endovascular and interventional cases. Promote education to the medical community and public regarding outpatient endovascular procedures. Support research on medical, financial and management issues of endovascular and interventional centers. Foster collaboration and unity among multiple specialties, industry and service partners to advance this healthcare delivery model. Provide a forum to share experiences and best practices among practitioners. Advocate for outpatient endovascular and interventional centers with governmental bodies, insurance companies and industry. Provide leadership on how this new, innovative healthcare delivery model integrates into our rapidly evolving healthcare system.

VIRGINIA COMMONWEALTH UNIVERSITY FACULTY SENATE • 2011 – 2013

The Faculty Senate strives to facilitate shared responsibility and cooperative action between the faculty and administration to promote the general welfare of the university. The Faculty Senate is composed of 62 elected members. Two senators are elected by the faculty of each school.

COCHRANE SUMMER ECONOMICS INSTITUTE PROGRAM • 2009 – 2013

Host two rising high school seniors from Collegiate preparatory school in the interventional radiology department during a four week summer internship to acquaint them with the US health care system, educate them about the role of the interventional radiologist in patient care, and foster their interest in a future career in medicine.

MCV/VCU HOUSE STAFF COUNCIL • 2006 – 2010

The House Staff Council is a body of residents elected by their peers whose purpose is: to serve as an advisory body to the Dean of VCU School of Medicine; to foster communication with school and hospital administration; to exchange information among residents and between programs; to provide an alternate process to address resident concerns; and to represent the house staff at Graduate Medical Education Committee meetings.
